Violation of this ordinance will be a criminal offense subject to a maximum fine of \$1,000 per day.

Ordinance 2624 of 2018 – Bulk Rubbish Containers in Residential Areas:

1. No bulk rubbish container shall be used within the Municipality without a permit.
2. An application for use of a bulk rubbish container within the Municipality- of Penn Hills shall be reviewed by the Department of Code Enforcement for approval.
3. A \$25. 00 fee will be required at the time of registration.
4. Any person seeking to use a bulk rubbish container shall apply for a permit from the Department of Code Enforcement naming the purpose, placement, proposed location and duration of the time bulk rubbish container will be placed on site. Dumpster placement is permitted for 14 days. An extension of time up to 30 days may be granted with the approval of the Director of Code Enforcement. However, Bagsters are permitted for a maximum of 14 days only.
5. No more than one bulk rubbish container may be placed on any residential property at one time.

Placement and Use:

1. Bulk rubbish containers shall be used only in connection with maintenance and construction activities taking place on the property upon which the bulk container is placed.
2. It shall be unlawful and a violation of this chapter for any person to:
 - a. cause or permit a bulk container to be placed on public property, including, but not limited to, roads or streets within the Municipality.
 - b. cause or permit a bulk container to be placed in the Municipal right-of-way;
 - c. cause or permit a bulk container to be placed in such a location as to block visibility or access to a public street;
 - d. cause or permit a bulk container to be placed in such a location as to block access to a public sidewalk.
 - e. cause or to permit a bulk container to be placed less than six feet from a curb of a street
3. The Department of Code Enforcement may grant exceptions to the above for properties that are physically unable to comply with the regulations. This exception must be granted prior to placing the container on the property.
4. Any person utilizing a bulk rubbish container shall be responsible to ensure that the area in and around the bulk rubbish container remains free of all litter and debris.
5. Any person utilizing a bulk rubbish container shall insure that the bulk rubbish container remains in a neat and clean condition and is secure and safe at all times.
6. The location and utilization of the bulk rubbish container shall be in compliance with all federal, state and local laws, rules and regulations applicable thereto.

Ordinance No 2017-2592 Portable Storage Containers In Residential Areas

Definition: Any portable container, storage unit or other portable structure that is leased and used for the temporary storage of personal property relating to the residential premises on which it is located for the purpose of storing and/or moving household materials.

1. Before placing a PSC unit on any residential property, a person shall register the date of the proposed placement and the intended location of the PSC unit with the Department of Code Enforcement.
2. A onetime fee of \$25. 00 will be required at the time of registration.
3. PSC units may remain in place a maximum of 14 days from the date of placement.
4. Code Enforcement, may at its discretion, grant extension requests for good cause shown and demonstrated. In the event the PSC unit is not going to be removed at the expiration of the 14 -day period, the property owner shall submit a written extension request to the Department
5. PSCs shall be used for the temporary storage of personal property relating to the premises on which the unit is located only. No storage of any commercial or business- related items is permitted.
6. Hazardous materials including flammable and biohazard substances shall not be stored in the containers.
7. PSC units must be placed on paved off-street surfaces.
8. PSC units shall not be located in any setback areas, required open space, landscaped area, on any sidewalk or trail, or in any location that blocks or interferes with any vehicular and/ or pedestrian circulation, and shall be located in accordance with all applicable building and fire code regulations for the purpose of ensuring safe ingress
